I did searches on Paul Colangelo, Adolf Quintana, Monica Scanlon, & Tim Moorhead. Here is what I found:

|  |   |
|--|---|
| Tim Moorhead<br>4968 Razorback Run<br>Syracuse, NY 13215-1362<br>(315) 484-9707<br>available | Same Address as we had before   |
|  | Called the # and it is disconnected. No further information was   |
| Paul Colangelo<br>67 Laura Dr.<br>Monsey, NY 10952-3823<br>(845) 356-5759                    | Our prior address had a different city, but same zip code. It<br>appears that our packages still made it there as we received a<br>certified mail receipt that the last letter was delivered.<br>Telephone # appears correct. Same number as found by Deborah<br>whom we hired to do the search. I called the number and asked<br>for Paul Colangelo. He was not home at the time. I will try back. |
